THALAXOTERM

Cell Plus

🕒 60' € 140

Ideal for reducing skin imperfections in those with cellulite or localized adiposity, thanks to the active ingredients of phosphatidylcholine and ginseng extract. This treatment will give you a compact and smooth skin.

Ultra Dren

🕒 60' € 140

Perfect for counteracting blemishes due to water retention and poor circulation, promoting the reabsorption of superfluous fluids thanks to the high percentage of Dead Sea salts.

Crio Tone

🕒 60' € 140

Thanks to menthol, eucalyptus and mint essential oils, this treatment will perform a tonic action on your body, stimulating blood circulation and providing a feeling of lightness and freshness.

Relief Ven

🕒 60' € 140

Particularly suitable for those suffering from capillary fragility, this treatment promotes microcirculation thanks to the vine and blueberry extracts, giving relief to the whole body, especially with swollen and tired legs.

Salt bath

🕒 60' € 140

The salt bath is a pleasant and light halotherapy treatment, during which the nebulized water enriched with salt is combined with the radiant heat of the session. It gives beneficial results on blood circulation, preventing blood problems, respiratory diseases, skin irritation and allergies.

Mud bath

🕒 60' € 150

Mud therapy is an appealing and curative treatment based on thermal mud, used to eliminate spare fluids, mainly retained in the tissues of the legs, abdomen and hips. Also useful for relieving arthrosis, rheumatism and contractures.

FOR TWO

Wellness Program

🕒 80' € 50

Our wellness program is ideal for those who want to renew their skin relaxing. After the shower, you enter the steam room at a temperature of about 45 degrees to dilate the pores, then, after a break, you go to the Finnish sauna at a temperature of about 85 degrees, and then cool off with the stimulating jets of the whirlpool and emotional showers. The path ends sipping herbal tea, lying comfortably in the lounge area.

Wellness Path with Aperitif

🕒 80' € 90

Wellness program with exclusive use of our spa, Prosecco and fresh seasonal fruit. Our wellness program is ideal for those who want to renew their skin relaxing. After the shower, you enter the steam room at a temperature of about 45 degrees to dilate the pores, then, after a break, you go to the Finnish sauna at a temperature of about 85 degrees, and then cool off with the stimulating jets of the whirlpool and emotional showers. The path ends sipping herbal tea, lying comfortably in the lounge area.

Casablanca

🕒 80' € 140

According to the original Maghreb ritual, Casablanca is the purification treatment par excellence, ideal for promoting skin regeneration and energising your body. As in a Moroccan hammam, lying on the black stone bench you will warm your body up with ladles of hot water. Afterwards, our therapists will spread the black soap on you, preparing your skin for the next exfoliation with the kessa glove. After a short rinse you can relax in the steam room at 45 degrees. The treatment ends with a burst of tone in our emotional showers and with a satisfying relaxation in the whirlpool bath.

Oro Nero

🕒 120' € 240

The greediest among our treatments, an escape of pleasure for the body and mind. The aromas of coffee and chocolate will wrap you completely, driving you through an extraordinary sensory experience. After a regenerating wellness program, the treatment begins with a gentle exfoliation to renew the skin, which will also benefit from the stimulating and antioxidant properties of coffee. This will be followed by a massage with chocolate and orange notes, during which the relaxing manoeuvres and the scent of cocoa will remove all stiffness, stimulating the metabolism and positive reactions of the body.

Lucente Diana

🕒 120' € 280

Merge yourself in the scents of the land of Sicily, starting with a wellness program followed by a natural scrub with sea salt, crushed pits of bitter orange and citrus essences. After exfoliation, you will be wrapped in warm towels to enjoy deep well-being and relaxation. It then continues with the candle massage, characterized by the use of shea butter and citrus oil candles to melt on your body, which will give you a soft, hydrated and bright skin.

La dolce vita

🕒 180' € 340

The treatment that takes care of you head to toe. After a relaxing wellness program, you will be welcomed in the suite of our centre, where our therapists will apply a precious thermal mud with multiple therapeutic properties on your body. Subsequently, while laying the mud, the attention will be placed on your face with the revitalizing treatment with argan alginates and on your scalp with a gentle massage. The experience continues with a hot-stone massage performed with hot stones and coconut oil, a perfect mix to regenerate the body. The energy released by the basalt stones helps restore inner balance, while the coconut butter deeply nourishes the skin, making it soft and silky. In conclusion, you can enjoy the exclusive hot tub, sipping Prosecco accompanied by fresh fruit. Life has never been sweeter than this!

Cancellation Policy

A 100% charge will be incurred for any treatment not cancelled at least 24 hours prior to your scheduled time. Late arrival will shorten your treatment time.
