

THE SEASON OF “VILLEGGIATURA”

SUMMER RETURNS TO LE CALETTE, WITH MEDITERRANEAN ELEGANCE AND SINCERE FLAVOURS

Le Calette, Cefalù (PA), 4 June 2025 – Every summer has a story to tell, and the one at Le Calette is ready to begin again.

Nestled in the Bay of Caldura, just minutes from the historic centre of Cefalù and less than an hour from Palermo, this boutique resort is a retreat where time slows down and the Mediterranean is experienced with ease. The bright white architecture blends with the deep green of the Mediterranean flora and the vibrant colours of bougainvillea, while the view stretches from the sea stacks and the Rocca of Cefalù to the Aeolian Islands on the horizon.

Here, every detail tells the story of an authentic Sicily – one of flavour, history, and beauty. Days begin with breakfast overlooking the sea and end with a cocktail at sunset, cradled by the breeze and the song of cicadas. **At Le Calette, villeggiatura is a gentle art:** elegant, sincere, and free of excess.

THE RHYTHM OF THE SEA

The resort's sea-view terraces are once again offering moments of pure relaxation. Stretched out on the king-size beds of the **Calette Reef Club**, surrounded by beauty, guests can soak up the sun, take a kayak ride in the bay, or enjoy a Thai massage with views over the water. Nearby, the pristine **Caletta Selvaggia** and **Caletta Presidiana** are untouched corners where one can slow down and reconnect with nature.

Just a few minutes away by shuttle, **Calette Beach** is the ideal spot to enjoy golden sand and wide views over the Gulf of Cefalù. Those who wish to explore can hop aboard the **private tender** – a Magazzù MX-13 Gran Coupé – to discover hidden coves, swim in turquoise waters, or toast the sunset in front of the historic centre.

FLAVOURS OF SUMMER, BY THE SEA OR UNDER THE STARS

At Le Calette, the taste of summer finds two distinct expressions.

At the heart of the bay, the **Calette Reef Restaurant** is the perfect setting for a leisurely lunch or an informal dinner *piéd dans l'eau*: fresh dishes, local ingredients, and a vibrant atmosphere among rattan furniture and the scent of maritime pines.

The **Cala Luna Restaurant**, the resort's fine dining, moves outdoors for the season, with an open kitchen and sweeping views. Chef Dario Pandolfo presents three tasting menus – *Classics of Cala Luna*, *Creative Workshop 2025* and *Flowers of the Moon* – to be savoured under the stars. Recognised by Michelin, Gambero Rosso, L'Espresso, Identità Golose, and Touring Club, Chef Pandolfo shares a vision of Sicily that is contemporary, authentic, and full of surprises.

EXPERIENCE CEFALÙ AND ITS SURROUNDINGS

Cefalù is the perfect complement: from the UNESCO-listed Cathedral to the trails atop the Rocca, from the narrow alleys of the old town to sunsets over the sea, the town is a series of wonders just minutes from your room.

Le Calette also offers a curated selection of **tailor-made experiences**: excursions in the Madonie Mountains, boat tours to the Aeolian Islands, cooking classes, sensorial journeys through renowned wineries, and moments of deep wellbeing at the spa or in the gazebo suspended above the cliff, where guests can indulge in new holistic treatments in a setting of extraordinary beauty.
